Asset
Recovery Inc

April 27, 2011

Dear Ms. Estes,

It has been one month since we mailed your claim check. Everything should now be finalized and our agreement together satisfied.

At Asset Recovery, we are always on the look out for new claims. If we ever come across money and/or property owed to you or your family we will let you know ASAP. For this reason, we will retain your file with our company. However, it is also important that you update us should your address or telephone # change so that we can let you know immediately should any new claim surface.

Lastly, we hope that our company has lived up to all of our promises and all of your expectations and hope we have done a good job in recovering the money owed to you. If that is the case, please take the time to complete the enclosed testimonial form and mail it back in the self addressed stamped envelope.

We are a growing business and are trying to distinguish ourselves as a reputable company that can help others as we have helped you. We would greatly appreciate any kind words you have to offer.

If you have any questions, please call me at (800) 815-5032 or email me at johnfox@assetrecoveryinc.com

Sincerely,

John Fox
Managing Director
Asset Recovery Inc.

As any one that needs help this is the people you need to let help you. Mr. John fox is great at his job. And I thank you for all of his help. Mrs. Estes.
